

The Vienna Hofburg Orchestra (HBO) and the Vienna Residence Orchestra (WRO) are united under the Wiener Residenzorchester Veranstaltungs GmbH. With more than 150,000 visitors attending between 700 and 800 concerts—including the WRO concert series, the HBO Summer and Christmas/New Year series, and numerous exclusive performances—Wiener Residenzorchester Veranstaltungs GmbH is among the largest concert promoters in Austria. Our team consists of an average of 80 employees and engages over 400 freelance artists.

Starting with the 2027 season, the orchestra will perform daily at the Kursalon Vienna, in addition to other historical venues regularly used by the WRO. In this context, we are seeking to hire, starting May 2026:
